Hi Cathy-

I support your deployment, as long as your TTAU Summer mtg commitments are met. I will expect you to complete the prep with your workgroup, as well as attend the meeting during the week of Sept 14

Hi Wendy,

I am available and trained in Situation and Logistics Chief duties. I could arrange my work to be able to deploy as soon as Monday 8/24/2015.

I will forward this to Sally Thomas, for advice and approval.

Thank you,

**Subject:** Checking availability for deployment

Region 8 needs help with logistics work for the Gold King Mine spill. Is there any chance (*with your supervisor's approval of course*) that you could possibly deploy to Region 8. They could use help now, and I anticipate that they will need our help for at least the next couple of months. Please let me know of your availability as soon as you can. I will share more details as I have them – just checking your interest and availability at this point. Thanks.
